GENERAL INFORMATION

ACADEMIC SURGICAL CONGRESS 2022 INTERACTIVE EXHIBITS

Learn > Play > Compete

The average ratio of ASC attendees to exhibitors is more than 300 to 1!

To make those numbers work to your advantage, the ASC encourages each exhibiting company to feature an interactive, competitive component at their booth. Some examples include a hands-on skills module, a game or a quiz which will challenge attendees to successfully complete quickly. The task or game can require the use of your product or relate to the use of your product or service.

How It Works

- Task/game should not be longer than 3 minutes
- Devise a scoring system for the featured assignment
- Record and post the name or initials of the attendee participant along with their score in your booth. This can be as simple as a sign in sheet with the name and score. You may also Tweet competition updates: [#asc2022](https://twitter.com/asc2022).
