

Guidelines for submitting your AAS manuscript

Please be sure to select AAS manuscript as the article type.

Please mention the AAS manuscript in your cover letter.

Title page:

Please include the title, a list of authors, their affiliations and complete contact information for the corresponding author. Be sure to include the degrees of each author as well.

Abstract:

- All abstracts should be structured with the following section headings: *Introduction, Methods, Results, Conclusions*.
- All original articles should have keywords. Keywords should appear immediately after the abstract.

Body of text- saved in WORD

Tables- should be included in a separate WORD file

Figures with legends. Rule of thumb for figures- if you can't draw it, include it in a TIFF or JPG file.

Sections at the End of the Article

Place the following sections at the end of the article, after the Conclusions and before the References
